

## TP=Theory-guided study from teaching practice № :

Assessor's code:

Abstract/s taken over on:

Please, assess whether the following criteria are fulfilled: *The criterion is met (2) / is partially met (1) / is not met (0)*

The criterion is met (2) partially met (1) / not met (0)		Abstract №	Abstract №	Abstract №
<b>Topic:</b> The abstract fits the topic of the issue in terms of content.*				
<b>Aim:</b> The aim of the contribution is clearly specified in the abstract.				
<b>Theoretical reference(s):</b> It is clear from the abstract which literary sources or specialised literature the contribution is based on.				
<b>Practical relevance:</b> The abstract clearly states the aims pursued in the foreign language classroom and how they are implemented in practice.				
<b>Language:</b> The language of the abstract meets general academic standards.				
<b>Additional comments:</b>	Abstract № ...:			
<b>Total score:**</b>				

\*Veto-criterion: If this criterion has been awarded between 0 and 1.33 points on average, the submitted abstract or contribution will not be accepted.

\*\*Each abstract is anonymously assessed (blind peer review) by three reviewers. The threshold level for accepting the abstract is 70%, i.e., the overall average score must total 7 points.
